\*All horse "MCD" unless otherwise noted.

## Reference Sires

Stallion	Sire	Dam	Comments
*AEV Cascabel	Sol de Oro (V)	Diadema de Elias	Silver Creek Ranch purchased *AEV Cascabel at the very beginning of our operation. We were taken with his great beauty, strength, and gait, but inspired by his gentle, willing disposition. *AEV Cascabel lived to a ripe old age at the ranch and created a solid foundation for our breeding program. With the guidance of his breeder, Sr. Alfredo Elias V., we were able to build upon the success of AEV to create our trademark MCD horses.
MCD Casanova	*AEV Cascabel	*AEV Aqua Marina	Like father, like son, MCD Casanova has made his mark on the breed. Casanova can count among his honors the following: <ul style="list-style-type: none"> <li>▪ A personal show record of championship titles in breeding, gait, and performance.</li> <li>▪ The 2003 Peruvian Futurity Grand Champion Breeding Sire</li> <li>▪ The 2005 Peruvian Futurity Grand Champion Breeding Sire</li> <li>▪ The Number One Sire on the "Ten by Ten" list (the top sire in the last ten years based on the winning record of his get, achieved in 2005). Casanova is the youngest sire to top the list, the only living sire and the only American-bred sire on the All Time U.S. Top Ten list.</li> <li>▪ Casanova was high-point sire of the U.S. National Show for 4 consecutive years, beginning in 2001.</li> <li>▪ Casanova is once again the NAPHA High Point Sire for the year 2005.</li> </ul> <p>MCD Casanova is a consistent producer of strong, well-gaited foals, with gentle dispositions. Casanova's offspring swept the 2005 Futurity, winning all breeding division categories: Stallion (MCD Orion), Mare (MCD Sabrosura), Luxury Gelding (MCD Centurion), and Best Gaited Horse (MCD Sabrosura).</p>
Iquenito TB	*Piloto	*Dulzura	Iquenito TB came to Silver Creek Ranch late in his life. Charlotte believed that the outcross to the *Piloto side of the Sol de Oro (V) tree would benefit the breeding program by adding size and pizzazz. It worked. We are very pleased with the results.
MCD Don Jose	Iquenito TB	Nieta	MCD Don Jose was the result of breeding the *Piloto bloodlines to our foundation mare, Nieta (Ollantay x Yaqui). The result was a beautiful, well-gaited horse with great stamina and presence. We bred a number of mares to MCD Don Jose before selling him.
MCD Orion	MCD Casanova	MCD Elizabeth R.	MCD Orion represents all of the qualities we breed for: beauty, strength, superior conformation, gait, and perfect brio. He is producing his own generation of exceptional babies. MCD Orion has an outstanding show record with multiple Champion of Champion titles in Breeding and multiple awards in gait. He is the 2004 U.S. National Champion Breeding Stallion and the 2005 Peruvian Futurity Champion of Champions Breeding Stallion.
MCD Coronado	MCD Casanova	MCD La Colorado	MCD Coronado is just beginning his career as a sire, but he's already demonstrated his ability to win in the show area. Coronado has an impressive record of wins at regional shows in breeding, gait, and performance. He has won the title of Champion of Champion Performance Stallion 4 times (twice in Open Performance and twice in Amateur Performance). His exceptional, noble disposition makes him the perfect riding horse. We just welcomed his first filly, MCD Callisto (our of MCD Eliana). She's stunning!

Stallion	Sire	Dam	Comments
WW Racho	RDS Me Llamo Peru	WW Alegria	Harrison saw WW Racho for the first time as an 18-month-old colt. He like his conformation and loved his gait. At that time, he decided that WW Racho was the next step in the Silver Creek Ranch breeding program. His father is the legendary RDS Me Llamo Peru, the only double National Laureado Breeding Stallion (also on the "Ten by Ten" list). His mother is WW Alegria, a daughter of Lindero (Regional x Tajahuana) and Romanesca MSR (Romanesco MSR x Sombra del Sol). His first babies are reaching three this year and, so far, they are very, very promising. The combination of "HNS Domingo bloodlines with MCD Casanova horses has already produced a number of winning horses; there is little reason to believe these babies will be any different.
SK Don Senor	AV Sol de Paijan	MCD Luna de Plata (by *AEV Cascabel)	SK Don Senor is 3 times National Champion of Champions Breeding Stallion (Laureado) at the Concurso Nacional de Centro Americano.
